Club Access & Security Measures for your Protection

Your community is equipped with sophisticated access control technology to ensure ease of use and added security. When you registered with your Del Property Management Team, you were provided with access devices that have been specifically programmed for your use.

You are also requested to provide important information about all the occupants of your home and when necessary multiple access devices have been ordered, programmed and issued to you and residents within your suite. Consistent with the best practices in access control, you may be required to provide photo-identification.

Report all damaged or missing equipment immediately, so that repairs can be affected as soon as possible and not to inconvenience subsequent users.

Access to your Club is only by access devices. If you ever lose your access device please report it immediately to your Del Property Management Team and/or the Concierge, arrangements will be made to deactivate the access device while reissuing you a new one. Please note that all replacement or additional access devices for residents are available for a charge.

Bookings for the rooms are made with the Del Management Office and/or the Concierge up to twelve (12) months in advance. All bookings are to be accompanied with a completed Booking Application and any fees or deposits for administration, security and cleaning as required. Reservations are not considered confirmed until all applications and payments are received.

If a resident would like to spontaneously use any of the facilities without an advance booking, then Del Property Management and/or Concierge will assist them accordingly.

Before and after any event, the Condominium Manager or staff member will inspect and inventory the **rooms with the resident reserving the space**. Provided there is no damage found the security deposit will be returned to the resident. If there is damage, the Condominium Manager will apply the security deposit against the cost of repairing the damage. Any repair costs over and above the deposit will be charged to the resident. Any additional charges, if not paid within thirty (30) days will be recoverable in the same manner as common expenses. This does not limit the procedures of enforcement as herein described in the Rules and Regulations.

After the event, all garbage must be properly bagged and secured and left in the kitchen area ready for disposal. The resident must clean all surfaces and appliances.

Residents are asked to cancel reservations as soon as possible but not less than seven (7) days prior to the reserved date (28 days in advance if the event is on a period of high demand or a designated statutory holiday). Any cancellations may result in the forfeit of the security/cleaning deposit at the Condominium Manager's discretion.

Visitors Parking

Your community has been designed to accommodate visitor parking. In order for your Del Property Management Team to manage your visitors' parking efficiently and with fairness, we need to ensure that everyone in the community participates in the proper coordination and use of the designated Visitor Parking areas. By adhering to the following rules, your Board of Directors and Del Property Management Team will be able to ensure that your guests are welcomed properly to your community.

1. Visitor Parking spaces are limited and reserved for the use of guests.
2. For the purposes of security and access control for parking, your Concierge, upon arrival of your guest, will request your suite number and their license plate number.
3. Your guest must register with Concierge prior to visiting your home. This way your Concierge can be sure to notify you of your guest's arrival. Guests will not be permitted to leave the lobby area until positive confirmation of the resident is received.
4. So that your Concierge can serve you better and welcome your guests by name, it is preferred that you notify them in advance of your guests' arrival if possible.
5. Visitor Parking Permit must be obtained from the Concierge. This parking permit must be prominently displayed on the vehicle's dashboard.
6. All vehicles parked in Visitors' Parking spaces without a Visitor Parking Permit are subject to ticketing and towing.
7. Overnight parking permits, totaling 14 nights, may be issued per suite per calendar month. Depending on demand, consecutive permits (e.g. month to month) may not be available. Please see Del Property Management for details.
8. Longer requests may be available upon written notice to and approval from the Board of Directors.
9. Visitors Parking is restricted to motor vehicles. Parked vehicles must fit comfortably within the boundaries of one parking space.

Persons who park a motor vehicle in contravention of these rules will be fined or have their vehicle towed or both, under the applicable City of Toronto By-Law. The Condominium Corporation and Del Property Management Team and/or their agents will not be liable for any damage, costs or expenses whatsoever caused in respect of any vehicle(s) so removed from the property.

Resident & Visitor Bicycle Storage & Racks

Your community has bicycle storage racks for resident and visitor use. They are available on a first come, first served basis. However, in order to coordinate this community resource, a registration process is in place for Residents.

1. The use of the Resident Bicycle Storage is restricted to persons living in this community. The use of the Visitors Bicycle Storage is dedicated for guests and not residents.
2. Resident use is available on a first come, first served basis and is renewed at fixed times throughout the year, if the Board of Directors wishes.
3. All residents must register their bicycles, which will include a fully refundable \$100.00 deposit per rack, with the Condominium Manager.
4. Immediately following registration, and subject to availability, a bicycle rack will be assigned.
5. Residents are required to provide their own locks.
6. Bicycles are stored "at your own risk".
7. Any unregistered bicycles or locks found will be removed from the bicycle storage racks or room and will be held for 60 days and then disposed of accordingly. If costs are incurred to the Corporation for storage, they will be passed on to the resident and/or homeowner.
8. To preserve your community and maintain our cleaning standards, bicycles are not permitted in the common areas of the building and must either be stored off-site or in the designated bicycle storage area.
9. Depending on availability, bicycle racks may be limited to one per suite.
10. A maximum of two bicycles may be stored on each bicycle rack. This depends on the type of rack and providing the second bicycle does not impact or impede the use adjacent racks.

Consequence Management

One of the most challenging yet necessary functions of your Del Property Management Team and Board of Directors is to ensure that all of the community rules and regulations are followed. It can be tremendously stressful and difficult on your community's staff when they have to enforce compliance of the rules with any resident or their guest. When they do, they do so out of obligation and commitment to preserve your community, your safety and trust.

In our experience, we find that the majority of residents and their guests fully understand and participate in supporting the rules and regulations. We also understand that sometimes a resident may make a mistake. This is why we have created some very clear and important steps that will be invoked by the Del Property Management Team on behalf of the Board of Directors to manage non-compliance of the rules.

Depending on the specific set of circumstances and as assessed by any member of the Del Property Management Team, the Board of Directors or the Condominiums Corporation's employees or agents, there will be an escalating series of consequences which may lead to an immediate and full suspension of Club facility use.

Therefore, it is critical that every resident and their guest abide by the rules of your community and understand that they will be enforced in accordance with the terms of the Condominium Act, the Declaration and all By-laws and Rules of the community.

For clarity, we have outlined the series of consequences that will be enforced for those who violate the rules. Depending on the nature and frequency of the concern, the Board of Directors, or the Condominium Corporation's staff or agents will act at their sole discretion in determining the appropriate consequence which can for serious incidents lead to complete suspension of facility use, as well as fees for damages.

In the event of a violation of the rules, some or all of the following consequences will be initiated. Depending on the circumstances, the Board of Directors and Del Property Management Team will determine the appropriate consequence, but if the situation warrants additional measures, they will not be limited to the following:

1. Notification in writing to the resident on the first instance. If relevant, the resident will be given 7 days to rectify the violation and to signify his or her future willingness to abide by the rules.
2. Notification in writing to the resident and if relevant, the off-site owner, upon the second instance, requiring written acknowledgement of receipt of such notice and a commitment that the recipient will comply with the rules within two days.
3. Notification in writing from the Corporation's lawyer upon the third instance and notification that any further offences, may cause the Board of Directors or the Condominium Manager to require the resident to supply a certified security deposit which may be forfeited in the event there is any subsequent breach of the rules by the resident and/or their guests. The cost of any legal fees incurred to the Corporation as a result of the violation will be billed to the owner. These costs will be recoverable in the same manner as common expenses and must be paid within 30 days. The owner will be responsible for payment to the Corporation.

On the fourth instance, the Board reserves the right to have the Corporation's solicitor commence enforcement proceedings against the delinquent or offending unit owner, resident, tenant or guest, in accordance with the provisions of the Condominium Act 1998, S.O. 1998, as amended, and all legal fees and disbursements incurred in connection with any such proceedings (together with any damages incurred as a consequence of the offence) will be sought against the offending party.
